DAM Boutique hotel & restaurant

Uroš Fakuč

G&M 16

Chef Uroš Fakuč z neizmerno strastjo do ustvarjanja vedno novega in boljšega kreira moderno mediteransko kuhinjo, ki sledi svetovnim kuharskim trendom, a obenem spoštuje tradicijo. Prisega na avtentičnost najboljših sestavin, po možnosti lokalnih, in na originalne okuse, ki jih z le nekaj premišljenimi dodatki povzdigne v eksplozijo čistega užitka. Z občutkom za lepoto in estetiko, ki se izraža tako na krožniku kot v ambientu, si je omisilil tudi butične, romantične, komfortne sobe, ki tako kot prenovljena restavracija nudijo gostu modernizem sodobnih trendov, a obenem toplo domačnost.

With his immense passion for creating, time and again chef Uroš Fakuč produces new and improved modern Mediterranean cuisine, which follows global food trends whilst at the same time respecting tradition. He swears on the authenticity of using the best ingredients – locally produced where possible – as well as original flavours which, with just a few ingenious additions, are elevated into an explosion of pure enjoyment. With a feeling for beauty and aesthetics, which are reflected in both the food and the ambience, chef Uroš Fakuč also set about creating boutique, romantic and comfortable rooms which, as is the case in the renovated restaurant, offer guests the modernism of contemporary trends combined with warm hospitality.

Danilo gostilna & vinoteka

Nina Čarman

G&M 15,5

Danilo je restavracija z dolgoletno tradicijo. Dedek Danilo Kosmačin je leta 1961 kupil staro gostilno v Retečah, jo preimenoval v "Pri Danilu" in se podal na kulinarično pot, ki traja še danes. Njegova hči Vesna in njen mož Dušan sta prevzela lokal in ga spremenila v eno najboljših slovenskih restavracij. Nato sta jo leta 2016 prevzela Nina in Gašper Čarman, sestra in brat, ki uspešno družinsko podjetje vodita že tretjo generacijo. Kuhinjo Danilo danes vodi kuharska mojstrica Nina Čarman, ki uporablja sveže lokalne sestavine za krepitev ustvarjalnosti in vnašanje novih okusov.

The story of Galerija okusov (Gallery of Flavours), which is located in a manor in a Baroque park in Novo Celje, originates from the passion of its owner, Gašper Puhan, who believes that food means socialising and enjoyment. He creates new dishes to match the exceptional range of wines on the wine list, which already exceeds over 500 different varieties, thus rounding off the complete culinary experience. Whilst being driven by the future, Gašper also reflects on the traditions of the past. Genuinely local ingredients and a talented team, together with a global approach to cuisine, enrich the restaurant's flavours.

Gostilna Rakar

Boštjan Rakar

G&M 14,5

Umirjenost podeželja gostoljubno vabi na obisk. Gostilna Rakar je hiša, kjer ste lahko nekaj ur ali pa nekaj dni. Saj zato je poleg tudi naš hotel. Vodi nas kreativnost, igrivost, ljubezen, a tudi različnost, treh generacij Rakarjev, ki delamo skupaj. Krožniki odražajo strast, močan karakter, zapeljivo nežnost, vse na podlagi svežine in lokalnosti. Nabiramo gobe, sadimo zelenjavo, pomagamo v sirarni ..., uživamo, ker vemo, kakšne surovine imamo. In ob vsem tem radi povabimo še v našo bogato vinsko klet. Vino je naš hobi, strast in tudi del posla.

The tranquillity of the countryside warmly welcomes you to Gostilna Rakar, a place where you can spend a few hours or, since our hotel is right next door, even a few days. We are driven by creativity, playfulness and love, as well as the diversity of the three generations of the Rakar family working together. Our food reflects our passion, strong character and appealing tenderness – all of which are based on freshness and the use of local ingredients from local suppliers. We pick mushrooms, grow vegetables, help in the dairy and more. In short, we enjoy ourselves because we are aware of the quality of the raw ingredients we use. In addition to all of this, we like to invite guests into our well-stocked wine cellar. Wine is our hobby and passion, as well as being part of our business.

Tipična slovenska gostilna, polna topline in spominov. Z živim šankom in pogrjnjenimi mizami. "Za dobre duše in radovedne želodce" vas bo pozdravil napis pri vhodu. Z močno ukoreninjeno tradicijo in nenehnim iskanjem novega želimo ponesti naše okolje v svet. Grič

Luka Košir

G&M 17

Le 20 kilometrov iz Ljubljane je v horjulskih hribih brunarica, v njej pa vrhunska restavracija, v kateri mladi chef Luka Košir ponuja svoje kreativne jedi dobesedno z njive na krožnik. Narava naokrog je s kančkom vloženega truda človeških rok radodarna, chef Luka pa pozna divje rastline, uporablja tradicionalne in moderne metode shranjevanja, od kisanja, soljenja, sušenja, prekajevanja, fermentiranja do marmelad, kompotov domačih žganic. Živila, 80 odstotkov sadja in zelenjave pridelajo na lastni kmetiji, shranjujejo v polni zrelosti in jih ponudijo v mesecih, ko tega v naravi ni.

Just 20 kilometres from Ljubljana in the hills above Horjul, Gostišče Grič is located in a log cabin in which the young chef Luka Košir offers dishes created using ingredients literally from the field to the plate. The nature in the surroundings, together with the effort invested by human hands, is generous, and chef Luka complements it through his knowledge of wild plants, use of traditional and more modern methods of preserving – from pickling, salting, drying, smoking and fermenting to making jams and homemade spirits. Eighty percent of the fruit and vegetables used at Gostišče Grič comes from its own farm and is carefully stored while at the perfect stage of ripeness so it can be offered in those months when it is not in season outdoors.

JB restavracija

Nina & Tomaž Bratovž

G&M 16,5

Restavracija JB je prva slovenska restavracija, ki se je že pred leti uvrstila na prestižni seznam World's 50 Best Restaurants, predvsem pa je manifestacija sanj chefa Janeza Bratovža, pionirja sodobne kulinarike pri nas, ki je jedce že pred leti seznanil s konceptom preobrazbe prvovrstnih lokalnih sestavin v nepozabne jedi. Za izjemen uspeh restavracije so zaslužni vsi člani družine Bratovž, bogato tradicijo pa postopoma že prevzemata sin Tomaž, desna roka v kuhinji, in hči Nina, ki kot sommelierka tretje stopnje skrbi tudi za odlično vinsko ponudbo.

JB Restaurant is the first Slovenian restaurant to make it onto the prestigious World's 50 Best Restaurants list, and, more importantly, it's the manifestation of chef Janez Bratovž's dreams. The pioneer of modern Slovenian cuisine has dedicated his life to enriching people's lives by preparing unforgettable dishes from quality local ingredients. The success of JB Restaurant derives from the hard work of every member of the Bratovž family, and its undoubtedly bright future lies in the hands of Tomaž, the son and right-hand man in the kitchen, and Nina, the daughter and advanced sommelier.

Miza za štiri

Maja Miška in Jure Brložnik

G&M 15

Miza za štiri je najmanjša, a hkrati najbolj edinstvena restavracija v Sloveniji. Začela se je kot ena miza s štirimi stoli, danes pa tam najdemo tri mize. Maja in Jure sta brez izkušenj v gostinstvu pogumno uresničila svoje sanje ter ustvarila prijetno vzdušje. Jure, samouk kuhar in perfekcionista, stremi k čistemu okusu in estetiki. Filozofija restavracije temelji na preprosti ideji - vsaka sestavina v jedi mora biti izražena in začutena. Miza za štiri se nahaja v čudoviti vasici Zgornja Polskava, 15 km južno od Maribora, obdana z majhnimi vinogradi in kmetijami. Uživate v izjemnih okusih ter spretno izbranih slovenskih in mednarodnih vinih v tem skritem kotičku kulinaričnega užitka.

Miza za štiri is the smallest yet most unique restaurant in Slovenia. It started with just one table and four chairs, but now it boasts three tables. Maja and Jure fearlessly pursued their dreams and created a delightful atmosphere, despite their lack of experience in the hospitality industry. Jure, a self-taught chef and perfectionist, strives for pure taste and aesthetics. The restaurant's philosophy is based on a simple idea - every ingredient in a dish must be expressed and savored. Table for Four is located in the charming village of Zgornja Polskava, 15 km south of Maribor, surrounded by small vineyards and farms. Indulge in exceptional flavors and expertly selected Slovenian and international wines in this hidden corner of culinary pleasure.

Ošterija Debeluh

Jure Tomič

G&M 17,5

Podžeželska gostilna, v kateri je gostoljubje glavna začimba. Iz očetovega roštilja, ki je še vedno glavni štedilnik v Debeluhovi kuhinji, je Jure Tomič naredil haute cuisine. Ko se spogleduje s svetovnimi trendi, ve, kje je doma, pozna svoje prednike in svoje podnebje, ceni svoje goste, ki jim ponuja le najboljše, sveže in lokalno, vse to pa na svoj, prijeten, vesel, sproščen, pristen in prijateljski način. Nova kuhinja, toda na starem, odprtem ognju.

A country restaurant where hospitality is the main spice! From his father's grill, which to this day is still the main oven in the kitchen of Ošterija Debeluh, Jure Tomič has created haute cuisine. Whilst flirting with world trends, Jure also realises where his home is. He is aware of his predecessors and the local climate, values his guests and offers them only the best dishes made from fresh and local ingredients – and all of this in a pleasant, jolly, relaxed, genuine and friendly way. In short, nouvelle cuisine yet cooked up over a traditional open flame.

Restavracija Mak

David Vračko

G&M 17

Popolna predanost gostom in kuhanju. David Vračko ni običajen chef, pravzaprav je zelo drugačen in poseben. Ko pristopi k mizi, je bolj podoben rockerski zvezdi, toda ko ustvarja, je kuharski zvezdnik, ki ga je slovenski Gault & Millau proglasil za slovenskega chefa prihodnosti. Njegove kreacije so genialne, ne le lepe na krožniku, temveč izvrstne v okusu. Tukaj se čas ustavi, v Maku se nikomur (več) ne mudi.

With his total devotion to guests and cookery, David Vračko is no ordinary chef, in fact he is different and special. When he approaches a table, he more resembles a rock star than a chef. However, when he is being creative in the kitchen, he is a cookery star who the Slovenian Gault & Millau culinary guide proclaimed as Slovenia's chef of the future. David Vračko's creations are genius, not only visually but also for their exceptional taste. At Restavracija Mak time stands still and, these days, no one is in a hurry to leave!

Restavracija Pikol

Tadej Gašparin

Predvsem smo družina! Družina, ki je od samega začetka povezana s Pikolom. Naše vodilo je preprosto, radi dobro jemo, radi dobro pijemo, radi smo v dobri družbi, radi uživamo. Gostov ne vabimo, da bi se pri nas počutili kot (pri sebi) doma, ampak da postanejo – del naše družine. Vodilo naše kuhinje je pripraviti tradicionalne jedi, ki smo jim vdahnili duh sodobnega časa.

We are, above all, a family! A family that, from the very outset, has been connected to Pikol. Our guiding principle is simplicity – we like to eat well, drink well, be in good company and enjoy ourselves. We don't just invite guests to feel as if they are at Home, but rather for them to become a part of our family. The ethos of our kitchen is to prepare traditional dishes in which we have inspired the spirit of modern times.

Restavracija Strelec, ki se nahaja v Ljubljanskem gradu ob vstopu v grajsko stavbo, je pod vodstvom Michelinovega chefa Igorja Jagodica postala ena najprestižnejših restavracij v Sloveniji. Chef Jagodic sledi načelom klasične francoske kuhinje, uporablja sodobne tehnike in lokalne sestavine. Poleg okusov je pomembna tudi estetika pri predstavitvi jedi. TaBar

G&M 14,5

Posebnost restavracije, ki slovi po največji izbiri odprtih vin v prestolnici, so manjši krožniki. Te lahko razumemo kot prigrizek ali pa kot jedi, ki jih delimo z omizjem. Lastnik Jurij Osole, ki je velik ljubitelj vin, že od samega začetka sledi ideji, da je TaBar kraj, kjer se srečajo tisti, ki si želijo okusno večerjo v spremljavi naravnega vina. Skupaj s izjemno talentiranim chefom Jakobom Pintarjem, ustvarjata team, ki vas bo v TaBarju navdušil z lahkotnimi jedmi, neverjetnimi detajli, vse skupaj v sozvočju z letnimi časi in v kombinaciji z najboljšim vinom v regiji.

Tapas-style small dishes are a unique feature of TaBar, a restaurant renowned for having the largest selection of open wines in Slovenia's capital city. The dishes can be a light snack or food to be shared at the table. Since the very outset, the owner Jurij Osole, a wine enthusiast, had a passion to make TaBar a place where people can meet for a delicious dinner served with natural wines. Together with the highly talented chef Jakob Pintar, the team delights diners with light dishes featuring incredible details, all in harmony with the seasons and paired with the best wines in the region.

Catch the reflection of life

"Skupaj spodbujamo zdrave navade, skrbimo za čisto okolje in ohranjamo Slovenijo lepo za prihodnje generacije."

Peter Čas
CEO Steklarna Hrastnik

Skupaj s partnerjem Steklarna Hrastnik, priznanim svetovnim partnerjem na področju razvoja in proizvodnje vrhunskih steklenih izdelkov, smo razvili steklenico JRE. Gre za prestižno, vrhunsko oblikovano ter hkrati ekološko in trajnostno stekleno embalažo, ki spoštuje kakovost slovenske vode iz pipe. Na ta način restavracije JRE ozaveščajo o pitni vodi v Sloveniji in zagotavljajo ustrezne informacije o tem, kakšno vodo pijejo in kakšne so njene značilnosti ter jo kombinirajo z vini in hrano.

JRE steklenica je bila nagrajena z Red Dot Product Design Award v letu 2023.

We developed the JRE bottle together with our partner Steklarna Hrastnik, a renowned global partner in developing and manufacturing world-class engineered glass products. The glass bottle is prestigious and superbly designed, while at the same time ecological and sustainable, thus respecting the quality of Slovenian tap water. By launching the JRE bottle, JRE restaurants are raising awareness of drinking water in Slovenia and providing relevant information about the kind of water and its characteristics, while pairing it with wines and food.

The JRE bottle was awarded the Red Dot Product Design Award in 2023.

"Together, we are promoting healthy habits, caring for a clean environment and keeping Slovenia beautiful for future generations."

SKODELICA ZA PLAČEVANJE RAČUNOV

Money bowl

KO SE ZDRUŽIJO UMETNOST,
BANČNIŠTVO IN VRHUNSKA
KULINARIKA

Keramična skodelica za plačevanje računov je nastala kot plod sodelovanja med Novo KBM, združenjem JRE in umetnico. Izdelana je v tehniki kintsugi, ki nas uči občudovati tisto, kar je nepopolno, in nas spodbuja k popravljanju poškodovanih predmetov. Razbiti deli skodelice so povezani z lepilom z zlatim prahom, kar daje izdelku še večjo vrednost in prinaša sporočilo o moči povezave.

WHEN ART, BANKING AND
FINE CUISINE COME TOGETHER

The ceramic money bowl, in which guests leave money or a credit card to pay their bill, is a collaboration between the Nova KBM, JRE Association and a sculptor. It is made using the Kintsugi technique, which teaches us to admire what is imperfect and encourages us to repair damaged objects. The broken parts of the bowl are joined together with glue containing golden dust, which gives the product added value and conveys the message about the strength of the connection.

MOČNEJŠI KOT KADARKOLI PREJ

Kintsugi - umetnost dragocenih brazgotin
Več kot 400 let stara japonska umetnost kintsugi (zlato popravilo) ali kintsukuroi (zlato mizarstvo) je metoda popravila keramike, ki spoštuje edinstveno zgodovino izdelka, saj razbitin ne skriva ampak jih poudarja. Filozofija tega načina je, da sta razbitje in popravilo del zgodovine predmeta in ne nekaj, kar bi bilo treba prikriti. Kiparka Bojana Križanec je to globoko sporočilo vključila v skodelico, ki je bila posebej oblikovana za JRE in jo najdete v JRE restavracijah ob plačilu.

STRONGER THAN EVER BEFORE

*Kintsugi - the art of precious scars
The 400+ year old Japanese art of kintsugi (golden repair) or kintsukuroi (golden joinery) is a pottery repair method that honours the artifact's unique history by emphasising, rather than hiding, breakage. As a philosophy, it treats breakage and repair as part of the history of an object, rather than something to disguise. The sculptor Bojana Križanec has integrated this profound message into a money bowl, specially designed for JRE.*
