Topics - after each topic a Q&A with the event attendees is planned:

- **Pandemic perspectives for restaurateurs** – our international guests' visions and prognosis.
- **Culinary experience in our guests' homes;**
 - How to make it possible?
 - Can home-delivered food be a fine dining moment? (*challenges, ideas, solutions*).
 - Are degustation menus – still necessary?
- **How to lead restaurant teams these days?**
How to communicate and support restaurant staff?
- **Chefs of the future** – how we should change?
What skills we should assess and who will be the chef of tomorrow?
- **The Post-COVID-19 world - how will your restaurant change?**
Our plans, first steps after lockdown and the pandemic reality.
- **What have we learned from COVID-19**
 - What must we change and what can we change (*suppliers / ingredients / health*) ?
 - How can we benefit from COVID-19 regulations and transform / use them for further business benefit?
 - Where are the opportunities; Lunch service / pensioners / female guests ?
- *"Microphone" for the attendees: own comments, questions for chefs.*
